#### How to download your Ordered Secured Documents

#### Why is it a Secure PDF?

To protect the intellectual property rights (IPR) of Standards Developing Organization (SDO), we have implemented a security policy that utilizes a free Adobe Acrobat plug-in from FileOpen Systems, Inc. This security feature prevents the reproduction and redistribution of downloaded documents.

#### What are the securities?

PDF files will be 'bound' to the First two (2) computers on which it was first opened. Once a PDF file has been bound to a computer, it can be opened only from that computer. Viewing Restrictions: You will be required to download the free plug-in to view any secured PDF document. There is no limit to the number of times a document may be viewed on your computer. Printing Restrictions: The plug-in limits the number of times the document may be printed to five copies. Since printing a part will be considers as one print, we recommend you print the entire document.

#### Step 3:

#### Installing File open

As the Indian Standard (s) downloaded are encrypted with FileOpen plugin you need to install this before opening the document. This is a one-time installation only.

Please use the following URL to download this plugin.

Click: FileOpen Exe Installer (recommended). Before downloading, please read the system requirements as mentioned below.

FileOpen	Plug-in Installers for Windows
Windows Installers	FileOpen Exe Installer [998] (recommended)
	MSI Installer for 64-bit systems [998]
System Requirements	64-bit Windows 10 or later, Server 2016 or later
	Adobe Reader/Adobe Acrobat 9.0 or later
Which installer should I choose?	We recommend the .exe installer for normal interactive installations as it will install the correct version for your platform.
	The .exe and .msi installers are equivalent. We provide .msi installers for network deployment by system administrators.
Use this for winows 7 $\longrightarrow$	For 32-bit and/or older versions of Windows use the 0996 Exe Installer
